

BROCADE FABRIC COLORS

We have done our best to create accurate color representations but every computer is different and if you have any questions, please ***call us (916-865-9123) to request fabric samples and we'll be happy to send them to you right away.***

White

Ivory

Burgundy

Maroon

Teal

Royal Blue

Purple

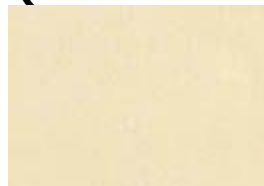

Black

LINING (and Fringe) COLORS -- Typically the embroidery color is selected to match the fringe, but you may select whatever embroidery color you'd like. For reversible stoles, you may want to select an embroidery color that matches the brocade on the opposite side. For example, White embroidery on the purple brocade side and Purple embroidery on the white brocade side.

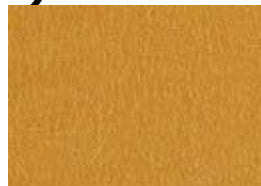

Call us (916-865-9123) and we'll explain!
