

Taser C2 Party Compensation Program

To become a Taser C2 Party Consultant, you must complete, sign and return a Taser C2 Party Consultant Agreement. On the agreement you will need to circle the option you choose for compensation (see Options 1 and 2 below for details). The option you choose will determine how you will be compensated. The option you choose will also help determine what, if any, incentives you can offer to hostesses/customers. Refer to Taser C2 Party Hostess Program for more information on this.

Option #1 - Commission

Conduct your Taser C2 Party and process the individual orders through the Taser C2 Party website. This allows each person to use their own form of payment – Visa, MasterCard, Discover, and American Express. (Details on PayPal and Google Express are also available.) Each order will be shipped directly to the individual. Taser C2 Party covers the merchant fees associated with the use of credit cards and also covers all shipping costs.

You will receive a commission check for 15 percent of your party total (excluding the hostess's order) within 2 weeks of shipment. A 1099 tax form will be provided by Taser C2 Party to Taser C2 Consultants for commissions earned during the calendar year. This form will be mailed by January 31 of the next year. It is your responsibility as an independent contractor to file any taxes related to the commissions earned, as required by law.

Option #2 - Profit

Not interested in waiting for a commission check? With this option you purchase a quantity of Taser C2s directly from Taser C2 Party at a volume discount price, and sell them at the Taser C2 Party at the price you set. The difference is your profit. Taser C2 Party will cover the cost of shipping your orders to you. You determine what forms of payment you accept, and handle any fees associated with that. The volume discount is cumulative, meaning the more you purchase over time, the greater your discount. Please call Taser C2 Party direct for the volume discounts being offered. When you purchase a Taser C2, a document outlining our volume discount structure will be sent to you.

With this option Taser C2 Party will not issue a 1099. You are responsible to file taxes, as required by law.
