

Hello Patrons,

We are pleased you are coming to our show. Please read carefully as there is a new traffic pattern when you are coming to the Warehouse Theatre. Commerce street currently says "Closed". However, if you are coming to the Warehouse Theatre from 5th street, you can turn onto Commerce. From Commerce make a right into the Warehouse parking lot or a right into the Pac Life Parking lot.

Please see the images attached for clarification.

If you are coming to the Warehouse Theatre from Main Street, please turn right onto 7th Street and you will see an orange sign that says "Academy Parking". Turn left into the Pac Life parking lot and park in that lot for the event.
